The map displays a grid-based land management plan. Key features include:

- A central area labeled **W2**, which contains a dense cluster of trees represented by small circles.
- Surrounding land parcels identified by codes such as **6029**, **6100**, **7000**, and **8000**.
- Numerical values associated with specific grid squares, ranging from 1.40 to 3.90.
- A road or path labeled **Slough** running along the left side of the main plantation area.
- Various symbols representing different types of vegetation or structures, including small rectangles and dashed-line boundaries.
